RF Monolithics, Inc. Reschedules Second Quarter Management Conference Call

Dallas, Texas (March 14, 2002) RF Monolithics, Inc. (RFM) (Nasdaq: RFMI) a leading global provider of SAW based components and modules, will conduct a Management Conference Call to discuss its 2nd quarter financial results Friday, March 15, 2002, at 8:30am EST (7:30am CST).

The Conference Call, which was originally scheduled for March 14, 2002, was rescheduled due to technical difficulties experienced by the Company's conference service provider Global Crossing Ltd. RFM apologizes for any inconvenience this delay may have caused.

To participate in the conference call, domestic callers may dial 800-256-6121 and International callers may dial 415-908-4709. No password is required. The conference call will also be available live via the Internet by accessing RFM's Investor Relations page of our website at www.rfm.com, and through CCBN/StreetEvents retail sites.

For those who cannot access the live broadcast, a replay will be available by dialing 800-633-8284 (Domestically) or 858-812-6440 (Internationally). The dial-in replay will be available from March 15 through March 19, 2002, excluding the weekend. The reservation number is 20450434.

About RFM

RFM, headquartered in Dallas, Texas, is a leading developer, manufacturer and supplier of a broad range of radio frequency components, and modules based on surface acoustic wave (SAW) technology for the telecommunications, automotive, industrial, consumer and distribution markets worldwide.
